CIMA New Syllabus

CIMA introduced a new syllabus in November 2019. The structure remains the same, as is the way the subjects are assessed. However some of the content will be changing, with some subjects being affected more than others.

The new syllabus sees the introduction of the growing influence the digital world has on the finance sector. The new changes will enhance your knowledge by focusing on new and emerging technologies reshaping the finance function and the business world through a detailed understanding of digital costing, Blockchain, AI and robotics to meet internal and external customer needs and aid you participate in the development of digital strategy and mitigate threats from cyber security.

A detailed breakdown of each subject and the new change can be viewed on CIMA Global website <https://www.cimaglobal.com/Future/students/>

Classroom* / Online 2020 New Syllabus

Study at the AccountancySchool.ie with face to face tuition, through a structured programme with maximum tutor support. All of our courses include CIMA approved printed study materials and online resources. All lectures are recorded so you can recap any areas you want to go back over.

We are also providing an online option with the benefits of the traditional classroom but with the flexibility of the online environment. The lessons are fully interactive, delivered live by our expert tutors following the same exam focused material and structure as traditional classroom courses. Online students will also have access to recorded sessions and can upload homework for marking. Full timetables available on www.accountancyschool.ie

New Syllabus Objective Testing

To facilitate student progression through the CIMA Study System, AccountancySchool.ie launched its **Objective Test Rolling Programmes** for the new syllabus in January 2020.

Our Objective Courses are flexible offering students the opportunity to enrol on programmes at any time. **On-going Tutor support** is available to ensure rapid progression through CIMA Objective Test Examinations. Both our Administrator and CIMA Qualified Tutors are available to offer advice on your study options and plans for 2020.
