Sean McLoughney

Sean McLoughney, founder of **LearningCurve**, is a sought-after talent support specialist, author and speaker. He provides Talent Support for organisations that drives Better Talent Retention and Improved Performance by utilising the latest in learning thinking and technology. In addition to his work with **LearningCurve** Sean is also senior lecturer in Accountancy School (F1: ACCA & E1: CIMA) and IPASS. He is a regular speaker at CPA CPD events. He has lectured on professional programmes for over 15 years, during which time he has taught numerous prize-winners. His focus in teaching is to provide coverage of all key syllabus areas but also to show the relevance of these topics to current business issues and best practices. Sean brings his extensive work experience to each session when bringing the subject to life or explaining difficult concepts
